1. INTRODUCTION

CONGRATULATIONS on your new purchase. This manual is designed to provide the necessary information needed for the safe operation, maintenance and assembly of the Yuba Flip Flop balance bike. Please read it thoroughly before first use.

The balance bike's serial number is stamped on the frame of the balance bike. Record the serial number in this manual in the event that your bicycle is lost or stolen. Please register your serial number online: yubabikes.com/register

MODEL NAME: _____

COLOR: _____

SERIAL NUMBER: _____

DATE OF PURCHASE: _____

PLACE OF PURCHASE: _____

Since all the components on your YUBA are industry standard, repairs or replacements can be performed at virtually any retail bicycle dealer.

If you have any questions about your YUBA bicycle after reading this manual, or encounter any please call YUBA's Customer Support Team toll free at 877 889-YUBA.

2. ASSEMBLY OF THE FLIP FLOP

Assembly and the first adjustment of the Flip Flop will take special tools and skills; it is recommend that this should be done by a trained bicycle mechanic.

If you have any questions after reading the information in this manual, talk to your dealer or YUBA's Customer Support Team toll free at 877 889-YUBA.

This manual conforms to these standards:

ASTM F963-11

3. GENERAL WARNING

Like any sport, bicycling involves risk of injury and damage. By allowing your child to ride their new balance bike, you assume the responsibility for that risk, so you need to know — and to practice — the rules of safe and responsible riding and of proper use and maintenance. Proper use and maintenance of your bicycle reduces risk of injury.

- This Manual contains many "Warnings" and "Cautions" concerning the consequences of failure to maintain or inspect your bicycle and of failure to follow safe cycling practices.
- The combination of the ! safety alert symbol and the word WARNING indicates a potentially hazardous situation, which, if not avoided, could result in serious injury or death.
- The combination of the ! safety alert symbol and the word CAUTION indicates a potentially hazardous situation, which, if not avoided, may result in minor or moderate injury, or is an alert against unsafe practices.
- The word CAUTION used without the safety alert symbol indicates a situation, which, if not avoided, could result in serious damage to the bicycle or the voiding of your warranty.

4. PRE-ASSEMBLY

Although the Flip Flop is 80% assembled, there are a few steps that must be completed before it is ready to ride.

	<u>WARNING!</u>
<ul style="list-style-type: none">• Adult assembly is required.• Adult supervision is required.• Maximum rider weight is 60lbs (27kg).• Maximum cargo weight is 5lbs (2.25kg).• Only one rider at a time.• Obey all traffic laws.• Ride on smooth paved surfaces away from motor vehicles.• Do not ride near sloped or steep inclines.• Do not ride at dusk, night or times with limited visibility• Do not ride during times of unfit weather.• Do not sit in the carrier• Always wear shoes when riding.• Always use safety equipment such as helmets, knee pads, elbow pads and gloves.• Replace worn or broken parts immediately.• Check bolts regularly• Explain to child how to stop with his/her feet	

	<u>WARNING!</u>
<p>RISK OF SUFFOCATION Plastic bags and films can be dangerous. Keep bags and film away from babies and children. Discard safely.</p>	

	<u>WARNING!</u>
<p>CHOKING HAZARD -Small parts Not suitable for children under 3 years of age.</p>	

	<u>CAUTION!</u>
<p>This toy requires advanced motor skills to prevent falls and injury. Assess skills before use.</p>	

It is recommended that you have your bike built and tuned by a trained bicycle mechanic. If you have questions or concerns about any of these steps, please see a bicycle dealer or contact YUBA toll free at 877 889-YUBA.

The tools needed to assemble the Flip Flop are not provided. You will need an adjustable wrench and an M5 allen key.

Carefully follow the Flip Flop Assembly Instructions on the following page. Never allow use of a Flip Flop balance bike that is not properly assembled.

Inside your box you will find:

- 1 - Flip Flop Balance Bike frame
- 1 - fork
- 1 - rear wheel
- 1 - rear carrier
- 1 - headset
- 1 - saddle with seat post (to be installed)
- 1 - handle bar (to be installed)
- 1 - front wheel (to be installed)

7. ACCESSORIES

Please visit yubabikes.com to view information on Flip Flop add-ons as well as the full range of Yuba Bicycles.

8. LIMITED WARRANTY

The Flip Flop frame including carrier is warranted against breakage for two years from date of purchase to be free from defects in materials and workmanship subject to the conditions and limitations set forth below. Yuba's sole obligation under this warranty is to repair or replace the product(s), at Yuba's option. The components and parts assembled on the Flip Flop are not covered under this warranty. This warranty does not cover damage due to wear and tear, overloading, misuse, abuse, or anything else beyond Yuba's direct control.

A partial list of preventable damage not covered by this warranty: rusting of the Flip Flop frame; bending of the Flip Flop chain stays by overloading; failure of the Flip Flop's rear wheel; bending of the carrier.

Yuba will be the sole arbiter of whether or not damage is due to defects in materials and workmanship.

This warranty applies only to the original owner and is nontransferable.

Prior to servicing a warranty customer, you must request authorization for return, repair or replacement from Yuba or your regional distributor.

Warranty claims require proof of purchase and must be made through an authorized dealer.

Any postage, insurance or shipping costs incurred in sending your Yuba components for service are your responsibility.
